步驟2.請選取 Product HS6、Importer、Canada，最後按下 Companies 確認

The screenshot shows the ITC Trade Map interface. At the top left is the ITC logo. The main header reads "TRADE MAP" with the subtitle "Trade statistics for international business development" and a list of data types: "Monthly, quarterly and yearly trade data. Import & export values, volumes, growth rates, market shares, etc." A navigation bar includes "Home & Search", "Data Availability", "Reference Material", "Other ITC Tools", and "More". The user's name "Mrs. Joyce Shih" and language "English" are displayed on the right. Below the header, a brief description of the platform is provided. The search section features several filters: "Imports" and "Exports" tabs; "Service" and "Product" dropdowns (with "Product" selected and "845710 Machining centres for working metal" entered); "Single" and "Group" radio buttons; "Country" and "Region" dropdowns (with "Canada" selected); and "Partner" and "Region" dropdowns. At the bottom of the search section, there are buttons for "Trade Indicators", "Yearly Time Series", "Quarterly Time Series", "Monthly Time Series", and "Companies" (which is circled in red). Below the search filters, three summary boxes are visible: "Share of exporting markets in 2020", "Supplying markets in 2020", and "National demand and international supply in 2020", all for the product "845710 - Machining centres for working metal" and importing country "Canada".
